

Year 2 Home Learning - Spring

Draw a map showing where you live and your journey to school.
20 points.

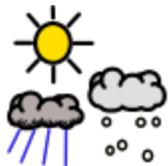

Use the internet to research a different country. Make a fact file. 50 points.

Use old cardboard boxes, yoghurt pots, bits of string, and anything else you can find to create your own musical instrument.
50 points

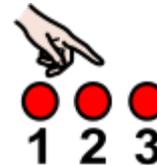

Draw a picture of what you had for breakfast.
Why is it important to have a healthy breakfast before school? How does it help you with your learning? 20 points

Create a chart that tracks the weather for the whole term.
80 points

Give instructions to your friend to draw a simple picture without telling them what they are drawing? Words like 'left', 'right', 'above', 'below', 'next to' will help you. 20 points.

With a friend or someone at home, practise counting in 2s, 5s and 10s starting from zero. Try counting backwards or starting on a number that is not zero! 20 points

Write a Kenya themed Quiz for the class. Make sure you have at least 5 questions.

Research a character for world book day and design your costume
20 points

Plant seeds and measure them each week to see how tall they grow. Record your observations in a table.
100 points

Plan and carry out a science investigation to find out which materials are best for building boats.
100 points

Visit a Synagogue and write report about the experience.
100 points

Help to prepare a healthy meal for your family. Write down the recipe and explain why this meal is healthy.
50 points

When you add two odd numbers do you always get an even number? Prove it!
50 points

Learn a new card game with your family and write a set of instructions so your class mates can play.
50 points

Three dice are placed in a row. Find a way to turn each one so that the three numbers on top of the dice total the same as the three numbers on the front of the dice.
Can you find all the ways to do this?
100 points
