

Monday 13th September 2020

Dear Parents/Carers,

**Re: Readmission to school**

The government has confirmed that it is safe for all pupils to return to school in September. We are really looking forward to seeing all of our children back at school!

To ensure we keep all our pupils, families and staff as safe as possible, school will continue to operate with some significant differences, and you and your child will need to be aware of the changes that we have had to put in place. Please read the attached information carefully, so you know what to expect, and what you need to do. We also have a new **Parents’ & Carers’ Handbook for Hackney New Primary School September 2020** which you must read and a new **Home School Agreement** which you must sign before your child can be readmitted. They will be sent out to you shortly.

To help your child to prepare for returning to school, please use the short video and a booklet from your child's new teacher that you will receive this week - this will help reassure them and give them an idea of what school will be like. If your child has SEND we will call you to discuss their re-admission process a few days before they start.

The expectation set by the government is that anyone, staff or pupil, who has left school with suspected symptoms of coronavirus will self- isolate for 7 days. Their household members should self-isolate for 14 days. All staff or pupils who are attending the school will have access to a test if they display symptoms of coronavirus and are expected to get tested in this situation. It is vital that you inform the school if any member of your household has symptoms and that you follow the above guidance.

Admission date - 7th September 2020	Admission time - 8.30am	Entrance to use - Enfield Road
Year Group 1	Collection time - 3.45pm	Drop off point - Enfield Road Entrance Pick up point - Enfield Road Entrance
