

Sport Premium at Hackney New Primary School 2021-22

The PE and sport premium is designed to help primary schools improve the quality of the PE and sport activities they offer their pupils.

What is the PE and Sports Grant?

The Education Funding Agency is providing additional funding to each school to improve provision of physical education (PE) and sport in primary schools. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport – is allocated to Primary School Headteachers. This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools. Hackney New Primary School PE and Sports Grant Funding for schools is calculated by reference to the number of primary-aged pupils (between the ages of 5 and 11), as recorded in the annual school census.

Purpose of funding Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

Possible uses for the funding might include:

- supporting and engaging the least active children through new or additional Change4Life clubs;
- paying for professional development opportunities for teachers in PE and sport;
- providing cover to release primary teachers for professional development in PE and sport;
- running sport competitions, or increasing pupils' participation in School Games;
- hiring specialist PE teachers or qualified sports coaches to work with primary teachers when teaching PE (as an addition not as core staff);
- buying quality assured professional development modules or materials for PE and sport;
- providing some places for pupils on after school sports clubs; and holiday clubs.

At HNPS we believe that children should enjoy a high quality curriculum to develop fundamental movement skills and be physically active for sustained periods of time. Children should know how to improve, recognise their own success and lead an active and healthy lifestyle. Children should experience competitive environments against self and others to develop communication, fairness and respect for others. For the academic Year 2021-22 Hackney New Primary School will receive a Sports Premium Grant of £18,000
